Reading in Year 5 and 6

Wath Victoria Primary School

Reading for Pleasure:

Take Home Books

Children may borrow a book or the class newspaper 'First News' from school to bring home, every day. We would like them to read with an adult at least three times per week, using their take-home book. Children should return any books or newspapers which are borrowed before selecting another one. Children have a reading record card which should be filled in by their adult when they read at home. For every 5 reads, stickers are awarded and once the children have collected all of their stickers, they can choose a reading prize. Adults will check reading cards on Fridays.
