

Meeting 1: Monday 20th March 2023

Agenda 1 – Anything to be communicated.

The school council have noted that cloakrooms in the classes and shared areas are untidy – They have suggested that a message be sent out to staff as they understand that coats cost money and that we should look after our belongings. This links into our school rules of being **respectful** and **safe**.

Agenda 2 – Any other suggestions?

- Playground markings are faded and need refreshing. The school council are looking at ways to raise money and make this an ongoing project throughout next year.
- The school council have asked to have an Easter egg hunt. We understand that this may not be possible due to only having one more week left in school.
- A request for sports coaches for structured games at dinner times – Mrs Addy and Miss Shaw will speak with Mr Kaskiewicz to see if this is possible.
- A chart per class for Fit For 15 so that a record can be kept to make sure that this is being done every day.
- New equipment for games (skipping ropes, more balls and games). Mrs Addy and Miss Shaw will speak with Mrs Mackinnon about ordering new equipment.
- Litter picking and keeping school clean. One class, once per week. A possible rota to be sent out if this is authorised.
- More flowers and gardening opportunities in shared areas outside. Mrs Addy and Miss Shaw will speak with Mr Kaskiewicz about this being an after-school club option.

Plan for the next meeting (Monday 24th April)

Anything to be communicated? / Updates on agendas discussed in previous meetings.
